COME HOME

A new place to call home

At Newsome Vale we offer high quality one and two bedroom apartments for people aged 55 and over. Our apartments are for both individuals and couples.

Our aim is simple - to make your life as easy, comfortable and enjoyable as it can be.

You'll be able to enjoy our lovely communal spaces and gardens, and take part in regular group activities. You can live as independently as you wish, and our aim is for you to feel happy and settled in your new home.

To help make getting around easier, we've made sure all of our rooms have level access, come equipped with a wet room, and that there's lift access on every floor.
