What can I expect from the S.A.M.S?

S.A.M.S or Support and Management Services provides a supported living service for people with a range of needs.

The majority of our customers have learning disabilities, however, some of our customers also have physical disabilities, long-term mental health conditions or misuse drugs or alcohol.

We'll work with you to ensure that you can manage and maintain your tenancy in your home.

We offer:

- A variety of accommodation which includes bed sits, self-contained and shared properties
- A fully furnished home including white goods such as a cooker, washer and fridge
- Free maintenance to your property
- Regular health and safety checks on your home and appliances
- Signposting to any aids or adaptations you need

Flexible care and support

With S.A.M.S you'll be assigned a named housing worker who'll work with you to build you confidence and skills to live independently.

They'll catch up with you whenever you need them to help with anything related to managing your property.

The benefits of S.A.M.S

Our friendly team have experience in dealing with all sorts of housing or tenancy issues. If you've got a problem just let us know.
