A new place to call home

At Newsome Vale we offer high quality one and two bedroom apartments for people aged 55 and over.

Our aim is simple - to make your life as easy, comfortable and enjoyable as it can be.

Our apartments mean couples can stay together, live as independently as they wish, and feel settled in their new home.

To help make getting around your new home easier we've made sure all of our rooms have level access, are equipped with a wet room, and there's lift access on every floor.
