### **A new place to call home**

As we get older it can be hard to keep up with the demands of looking after your home.

At Newsome Vale we offer high quality one and two bedroom apartments for people aged 55 and over. Our aim is simple - to make your life as easy, comfortable and enjoyable as it can be.

Our apartments mean couples can stay together, live as independently as they wish and of course, feel at home.

### **Support we offer**

To help make getting around your new home easier we've made sure all of our rooms have level access, come equipped with a wet room and there's lift access on every floor.

There's also a range of activities put on daily by our on-site wellbeing facilitators, including:

- Arts and crafts
- Quiz nights
- Chair aerobics
- Book club
- Bingo
